RE: PSAT/SAT Schedule Alert

Dear MVHS, SRVHS and Cal HS Customers,

As you are aware, the week of October 11 – 15 is PSAT/SAT testing week. TRAFFIX buses will continue to provide AM and PM school service for 9th, 10th, 11th and 12th grade pass holders. In addition, **TRAFFIX will be adding mid-morning service for 9th grade pass holders on Wednesday, October 13th only.** Additional service will be provided for the following TRAFFIX routes:

- Monte Vista High School – **Routes MV18, 19A, 19B, 20 and 25** (All MVHS pass holders will be eligible to ride any five of these bus routes. *Please note that MV10 and MV19 pass holders need to plan to ride one of these five bus routes*)
- San Ramon Valley High School – **Route SR21**
- Cal High School – **Route CA17**

Please note that there are modified AM schedules for all of testing week, and that you need to take note of the modified arrival times for your bus stop. Bus schedules for all high school routes for PSAT/SAT testing week are posted to the TRAFFIX website at www.ridetraffix.com.

Thank you in advance for your cooperation and attention. As always, questions can be directed the interim TRAFFIX Program Administrator at **(925) 866-8739 (TRFX)**, or admin@ridetraffix.com.
