UPDATE on New RFID System and First View App

On January 11, 2022 TRAFFIX rolled out the new RFID System and updated the First View app. This new system enables parents to track their students when they enter and exit the bus as well as receive push notices on their phones when the bus is closeby. We have reached the end of the "Pilot Phase" of this program. There are still a few glitches due to tablet connectivity that is impacting the order in which the on/off scan notification are being received for a few users. First View is actively working on a solution to display both notification properly. Thank you for your patience.

ADDED SECURITY AND PEACE OF MIND

If you are subscribed to First Student RFID ridership, it is now integrated with FirstView so parents can be notified when their student enters and exits their bus.

The FirstView Parent App gives parents direct access to the status of their child's bus. Push notifications are sent to parents when their child boards or offboards the bus.

2022/2023 BUS PASS SALES

Spring is almost here and pass sales for the upcoming school year are almost upon us.

Pass Sales will be available after Spring Break. Please check the TRAFFIX website toward the end of March for your Student's school registration schedule.

TRAFFIX Bus Lost & Found

If your student leaves something on a TRAFFIX bus, please contact First Student directly at 925-363-7327. They manage Lost & Found and do bus checks after each route. There's a good chance they've found what your student lost and can bring it with them on their next bus run.

Be a TRAFFIX AmBUSador!

TRAFFIX is fortunate to have a group of parents and community members who, as volunteer representatives of the TRAFFIX Citizen's Advisory Committee (CAC), attend quarterly meetings to provide valuable input about our program. CAC Representatives serve as liaisons between TRAFFIX and their respective schools and communities. **We call them our AmBUSadors!**

We are currently seeking new CAC Representatives for Country Club Elementary, Coyote Creek Elementary, Walt Disney Elementary & SRV High School. If you are interested in exploring this opportunity, please contact TRAFFIX Administrative Coordinator, Kellie Fahey at admin@ridetraffix.com or 925-533-6253

TRAFFIX Play Date Process

To request a play date, please send an email to Rosalva.Navarro@firstgroup.com. Please include your child's name, the bus route he/she normally rides, the name of the child with whom he/she has a play date and their bus route on which your child would be a guest rider. If you have questions, First Student Dispatch can be reached at 925-363-7327.

Students who are not registered TRAFFIX riders cannot ride the bus. TRAFFIX pass holders may ride on a different route or get off at a different stop if they have requested permission in writing from First Student at least two days in advance.
